

# Developing Leaders Programme

Great teaching changes lives

## Overview

This programme builds on the foundations of our NQT Leadership Programme and will support RQTs with their continued professional development. Alongside developing their leadership potential, participants will also deepen their subject specific pedagogy to develop their classroom practice. As a result of these elements the programme aims to deepen understanding of effective teaching and learning, and empowers teachers to be confident practitioners.

As part of the programme, RQTs will carry out a leadership project linked to their school development plan. The programme also provides a network of supportive teachers across subjects.

In addition, the programme will:

1. Build confidence to share outstanding practice beyond their classroom;
2. Improve self-awareness and encourage reflective practice;
3. Empower teachers to consider career options, pathways and next steps;
4. Build upon learning and experience from the NQT programme;
5. Support colleagues to be creative, passionate and resilient educators and leaders.

## Programme

### Dates

6 sessions from 11 October - 3 July, plus two subject specific half days

### Location

Sessions will be hosted by EborHope alliance schools, based in York

### Cost

£220 Alliance school / £300 Non-alliance school

### Audience

The programme is aimed at RQTs

“ We're committed to providing excellent development opportunities for our colleagues. This RQT programme will continue to empower teachers as they make the next steps in their teaching career.

Sarah Clarke, Director of Ebor Hope Teaching Schools Alliance
