

# Physics Practitioner Programme 20/21

Great teaching changes lives

## Overview

This DfE funded programme will allow you to develop your teaching practices to enhance engagement, reduce misconceptions and ultimately increase attainment within Physics.

### The programme will consist of:

- 6 masterclasses (twilights, half termly)
- Physics SLE coaching visit
- Opportunity to gain York St John University accreditation through the Local Independent Project.

### You will explore:

How to support and enhance your existing Physics knowledge

Key areas of the Physics curriculum

Development of key pedagogical skills focusing on engagement, practical ideas and differentiation.

This programme will support you to develop key Teaching & Learning Strategies which can be shared across your department. It may also support you to lead on Physics in your school.

## Application Details

Please send an expression of interest to:

[development@hlt.org](mailto:development@hlt.org)

Dates will be confirmed shortly.

## Location

Sessions will be a combination of online and face to face, dependent on the current situation.

Physical sessions will be held at Manor CE Academy, York

## Cost

The programme is funded by the DfE and delivered in partnership with Physics Partners.
